

We have had a busy and exciting start to Term 5. The children are working hard and we're looking forward to the rest of the term.

PE kits

PE lessons will be on a **Tuesday (outdoor)** and **Thursday (indoor)**.

Please make sure you have suitable clothing and footwear on these days. All jewellery and fitness watches will need to be removed for PE lessons.

While the weather is hopefully starting to get warmer, we will try to be outside as much as possible.

Reading

As always, we encourage children to continue to read at home as much as possible.

Please encourage your child to read regularly and to choose appropriate and challenging texts.

Homework

As always, thank you for supporting your child with their homework. It really helps us when it is in on time. We will be setting English and Maths homework on a Friday to be handed in by the following Wednesday.

.. and finally

Thank you for your continued support. If you have any concerns please ask us or write a note in your child's homework diary or contact us via the school office.

What was the impact of WW2?

We will be continuing our topic about World War 2, focusing on the lives of children.

**World Earth Day
22nd April**

During Week 1 and 2, we will be discussing this year's World Earth Day theme of how plastics are affecting our planet. The children will have the opportunity to engage in a range of activities in English, Art and Computing.

English

In English, the children will continue to produce cross-curricular writing in a variety of different genres. To help at home, children could continue to research aspects of WW2 and practise neat, cursive handwriting.

Maths

Again, in Maths, we will be looking at a variety of topics, revising and extending identified areas and developing the understanding of basic skills and applying to problems.

Science

This term, our focus will be 'Light'.

SATs Week

During the week commencing 13th May, the children in Year 6 will be sitting their SATs tests. A letter about the breakfast club, which will run during that week, will be given to the children soon.

The Year 6 team
